Twitter Bootstrap 2
Responsive Breakpoints Cheat-Sheet

wolkenkraft.com
SOFTWARE ENGINEERING

Print this short Cheat-Sheet and pin it next to your screen. It will help you to remeber RWD breakpoints and CSS helper classes for responsive webdesign with Twitter Bootstrap 2. If you like this Cheat-Sheet follow me on Twitter (@michaelfuerst) for more useful stuff!

Note:
Media queries on a higher level overload media queries on a lower level

Hi-Res Desktop
Column: 70px, Gutter: 30px
.visible-desktop, .hidden-desktop

Default Desktop
